DISTRICTWIDE EDUCATIONAL IMPROVEMENT COMMITTEE Minutes December 5, 2007

The Districtwide Educational Improvement Committee (DEIC) met on December 5, 2007 at 3:45 PM in the Administration Board Room. Present at the meeting were JoAnn Rodriguez, Leighanne Woodlee, Mary Denson, John Martin, Ginger Jackson, Sharon West, Reece Blincoe, Roxanne Seidel, Brigit Lucas, Doug Wozniak, Sara Lyssy, and Sandy Lynn.

The meeting was called to order at 3:47 PM by Mr. Blincoe. He informed the members about the District Awards for Teacher Excellence (DATE) grant. After discussion, all members agreed not to pursue the DATE grant.

Ms. Seidel gave a copy of the "Highly Qualified Continuous Improvement Plan" to each member present. She explained the reason for the Plan, allowed the members time to look over the plan, and asked for input. After discussion and input, all members approved the Plan.

Mr. Blincoe asked for input on the 2007-2008 calendar. Comments included the following: Staff and students are tired because of the first break being at Thanksgiving. Consider having Labor Day off in 2008. Also consider a day off after the TAKS retakes in October of 2008.

Mr. Blincoe informed the members about early release days on December 14th and 21st. There will be staff development on December 14th with different items to cover on each campus.

New Business—Mr. Blincoe informed the members about the new Stockdale ISD webpage is running.

Mr. Blincoe adjourned the meeting at 4:20 PM.

Respectfully submitted,
Roxanne Seidel
