DISTRICTWIDE EDUCATIONAL IMPROVEMENT COMMITTEE Minutes April 10, 2007

The Districtwide Educational Improvement Committee (DEIC) met on April 10, 2007 at 3:45 p.m. in the Administration Board Room. Present at the meeting was Venicia Monita, Brigit Lucas, Sharon West, JoAnn Rodriguez, Ginger Jackson, Karen Coston, Rochelle Lopez, Jack May, Beverly May, Barbara Koehler, Sara Lyssy, Reece Blincoe, and Vicki Wehmeyer.

Each member present was given a copy of the proposed 2007-2008 staff development. Mr. Blincoe went over the proposed staff development for the four days. Questions were asked and discussion was held regarding the proposal. The Committee agreed with the proposal, and was advised that there may be some switches of days during the seven days to accommodate presenters.

Mr. Blincoe discussed the 2007-2008 school calendar, and answered questions from the Committee regarding the calendar.

Mr. Blincoe brought the Committee up-to-date on the high school project. He advised the Committee that the Board has sent out RFQ's to architects, and that if all goes as planned it is possible that construction might begin November 2007. The Committee expressed they were pleased progress was being made, and that they were glad it was Mr. Blincoe's intention to include the high school staff in the planning of the building.

With no further business the meeting was adjourned at 5:15 p.m.
