Dear Parent/Guardian:

Stockdale Independent School District is a member of the Goliad Special Education Co-Op. Through this co-op arrangement we have been able to secure taped parent training programs, and will be receiving more programs in the future. At this time we have the following programs available:

“Living With the ADHD Child”

“Understanding Early Onset Bipolar Disorder”

“Games Adolescents Shouldn’t Play”

Ms. Judy Klare, LSSP with the Goliad co-op, is also arranging for us to have a 7-part training series entitled Autism Parent/Teacher Training. This series will begin in March and go through May, and will be available to all parents and guardians in the Stockdale ISD.

If you are interested in viewing any or all of the three programs we currently have available please contact your campus principal to coordinate a date and time that is convenient for you. In March we will begin making the 7-part training series available as they become available to us.

Stockdale ISD, Stockdale ISD Board of Trustees, and the Goliad Special Education Co-Op are dedicated to meeting the educational needs of all students. I encourage you to contact your child’s teacher, campus principal, Goliad Special Education Co-Op at 1-800-750-9911, or me if you have concerns or if we can be of assistance to you.

Respectfully,

Vicki Wehmeyer
