

Dear Families,

Welcome to a new school year! As your child's teacher, we look forward to a year of learning and fun. In order to make our classroom a learning-rich and supportive environment we need plenty of supplies. We realize that there is a large quantity of some items listed. This is because the lowest prices of the year are found on these products during the back to school season. Thank you so much for your ongoing support!

Thank You,

First Grade Team
