**QUESTIONS?**

Call Customer Service, Monday - Friday, 8:00 am - 5:00 pm, at (830) 216-7000, option 1 or email customerservice@felps.us.

**OUTAGES**

Call (830) 216-7000, option 7 - 24 hours/7 days.

**DISTRIBUTION CHARGES**

This is the amount necessary to distribute electricity to your location. It is broken down into two separate charges on your bill.

**Monthly Service Charge:** This covers the cost of having energy available at a metered location.

**Energy Charge:** The charge is based on the actual kilowatt-hours (kWh) you consume at your location and is the amount necessary for FELPS to operate and maintain the electric system.

**POWER COST RECOVERY FACTOR (PCRF)**

The PCRF reflects the cost FELPS pays to our wholesale power supplier for the energy sold to our customers. FELPS is an electric distribution system; we do not generate electricity. However, we do work to negotiate the best price on behalf of our customers. Each month, we receive a bill from our wholesale power supplier for the energy our customers consume. We directly pass that charge on to you through the PCRF without mark up.

**HELPING HANDS PROGRAM**

Funds from this program are used to provide electric bill payment assistance to low income FELPS customers. The program is funded by participating customers who round up their electric bills to the next dollar amount each month and donate the difference in change. Customers may opt-out at any time. For more information, please visit www.felps.us or call (830) 216-7000.

**METER MULTIPLIER**

A meter multiplier is tied to each specific type of electric meter. The meter reading is converted to energy usage by applying the multiplier designated by the meter manufacturer. A typical residential home will have a meter using a multiplier of one (1). Larger residential and commercial accounts with a higher energy load may have a larger multiplier.

**CHECK PROCESSING POLICY**

When you provide a check as payment, you authorize FELPS to either use information from your check to make a onetime Electronic Funds Transfer (EFT) from your account or to process the payment as a check transaction. When we use information from your check to make an EFT, funds may be withdrawn from your account immediately after receiving your payment. You may not receive your check back from your financial institution.

**OTHER CHARGES AND FEES**

For a complete list of charges and fees, please visit the Customer Service tab at www.felps.us and select the FELPS Terms and Conditions link.

**PAYMENT OPTIONS**

**Auto Pay**

Payment deducted from bank account or charged to credit card automatically on the due date. We accept Visa, MasterCard, and Discover. Please contact customer service to begin this convenient free service or complete the form online at www.felps.us.

**Pay Online**

Visit www.felps.us to pay online by credit card or check.
