Dear Counselor:

Karnes Electric Cooperative, Inc. is pleased to announce that we will be offering ten \$1,500 scholarships this year. The 2019 Karnes Electric Cooperative, Inc Scholarship Application is in a PDF format that is available on our website: [www.karnesec.org](http://www.karnesec.org). Please see the Community tab and select "Scholarship Program" to download the application.

The deadline for qualifying students to submit the application is Friday, March 15, 2019, at 5:00 p.m. in our Karnes City Office. We would prefer the students utilize the PDF fill in format to complete the application rather than handwrite them.

Please be sure to provide your student with an OFFICIAL copy of their transcript to submit with their application package.

If you need any additional information or have any questions please contact Janet Scheffler, Scholarship Chairperson, [jscheffler@karnesec.org](mailto:jscheffler@karnesec.org), or myself.

Thank You,

Becky Frazier  
Scholarship Secretary
