Dear Commissioner Morath,

The Stockdale ISD Board of Trustees approved the two amendments to the District of Innovation Plan on November 14, 2022. The first was to delete the "Preclusion from providing alternative Uniform Group Coverage Program once the program of coverages under Chapter 1579, Insurance Code is implemented." The second amendment was to add "School Health Advisory Council (SHAC)".

The two enclosures include the amended District of Innovation Plan for Stockdale ISD as well as an updated list of approved exemptions listed on Figure: 19 TAC §102.1307(d). These items will also be uploaded to our District website located at this link:

Sincerely,

Todd Deaver
Superintendent
